[Varney's Midwifery 7th Edition](#)

Discover the essential resource for midwifery practice with the 7th Edition of Varney's Midwifery, authored by the esteemed Helen Varney, Marcia L. R. Page, and Judith A. B. Kriebs, and published by Jones & Bartlett Learning. With its comprehensive coverage of vital topics, this edition continues to set the standard in midwifery education, integrating evidence-based practices with the latest research to empower future midwives. The book presents an in-depth exploration of pregnancy, labor, and postpartum care, while also addressing the complexities of women's health throughout the lifespan. Readers will benefit from its clear, accessible writing style and a wealth of illustrations that enhance understanding of critical concepts. Each chapter is meticulously structured to facilitate learning, providing readers with case studies, review questions, and clinical scenarios to bridge the gap between theory and practice. The 7th Edition also includes updated guidelines that reflect current best practices, ensuring that midwifery students and professionals are equipped with the latest knowledge and skills required in today's healthcare landscape. With a focus on holistic care and the promotion of women's health, Varney's Midwifery is an invaluable asset for educators, practitioners, and students alike. Whether you are preparing for certification exams or seeking to refine your clinical skills, this book serves as a trusted companion throughout your midwifery journey. The ISBN for Varney's Midwifery 7th Edition is 978-1284151618, making it easy to locate this must-have resource in academic and professional settings. Embrace the future of midwifery with this thorough and insightful guide that champions the art and science of midwifery care.
