1: All Fees indicated above are GST-inclusive. A TEC approved fee increase of 6% has been applied for the year 2027 to all figures, as per the funding conditions of TEC and ministerial determination on fees for 2027.

2: Fees and any discounts apply only in the current Academic Year and are subject to annual review by NZCCM Board & Council in line with TEC determinations for fees.

3: Any student studying for more than 120 credits in any one academic year will be charged fees for the additional credits.

4: Any student who has been granted APL (Accreditation of Prior Learning) will be charged on a pro-rata basis of credits issued for APL.
